

REGULATORY INFORMATION LEAFLET GFG Raw Materials Kit

RESTRICTIONS

* GFG Raw Materials Kit is generally suitable for ages 14+. Adults are encouraged to also consider the competency of children using the product to understand all the following safety warnings, with special attention to not leaving the unit connected to the battery unattended.

* The GFG Raw Materials Kit product is not a toy and is unsuitable for young children the small parts enclosed may lead to a choking hazard, keep out of reach of young children.

SAFETY WARNINGS

THIS PRODUCT MAY CONTAIN PARTS THAT OVERHEAT. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

THIS PRODUCT MAY CONTAIN SHARP PARTS. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

- * Always check your circuit build thoroughly with the manual, before testing and powering up.
- * Incorrect assembly can lead to modules overheating. If this happens remove the battery and check connections are correct.
- * Do not use the product near flames or extreme heat.
- * Do not leave this unit unsupervised when in use, WHEN NOT IN USE, DISCONNECT THE BATTERY TO SWITCH THE PRODUCT OFF.
- * If plugging into the computer using a USB cable, disconnect the power bank first.
- * Always use a clean, well lit, safe environment when assembling or working on the GFG Raw Materials Kit.
- * Changes to the circuit, code and the addition of any other modules is at the individual's own risk.
- * Cables and shell parts can have sharp ends handle with care.
- * Do not connect the GFG Raw Materials Kit to a power supply.
- * When assembly the product take care to avoid getting fingers trapped.

* Please check the kit for signs of damage before every use. If the damage is unreparable contact the manufacturer for spares and repairs.

* If sanding is required wear a protective mask and gloves in a well-ventilated area.

* Electrostatic Discharge Precautions are recommended when handling electronic components.

IMPORTANT!

* Be sure to double-check you have wired your voltage and ground connections (and all other connections) correctly to avoid damaging components and modules.

* If you make mistakes with your wiring you might notice modules overheating. If you notice any burning smells unplug your battery connection immediately and do not touch your components as they could be too hot to touch.

* Check all connections at the end of the circuit build and again at the end of the final build.

SYMBOLS

INFORMATION MARK SYMBOL:

This symbol indicates that all users should read the manual before operating this product.

FLASHING LIGHTS

* This product contains flashing lights that may cause discomfort or trigger seizures in individuals with photosensitive conditions.

FINGER TRAPS

* When assembly the product take care to avoid getting fingers trapped between parts.

RECYCLING AND ENVIRONMENT INFORMATION

Some larger retailers may accept small waste electronic products free of charge. Please ask your local retailer if this service is available for the products you wish to dispose of. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. This symbol may be used on batteries in combination with

additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

CARE AND MAINTENANCE

Always keep the GFG Raw Materials Kit and associated parts clean and clear of any dirt and/ or foreign objects. Cleaning should be done with antibacterial wipes avoid using harsh chemicals or water and avoid contact with any of the electronics. Fully check the build before every use for loose connections, damage or abnormal operation.

DISCLAIMER

This product is sold in kit form. It is solely the responsibility of the customer to construct the kit in a safe and appropriate manner, and in accordance with the best practices outlined in this manual. This product is not a toy.

The use of spare or replacement components unapproved by Rewise Learning may cause damage or malfunction to the product. Rewise Learning accepts no responsibility for product damage or malfunction due to the use of third party components.

Rewise Learning shall not be responsible to customers or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, loss of data, revenues, sales, business, goodwill or use.

Rewise Learning does not provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information, materials or services found or offered with our products for any particular purpose. You acknowledge that such information, materials and services may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

DECLARATION OF CONFORMITY

We the undersigned, declare under our sole responsibility that the product to which this declaration relates conforms to the essential requirements of the applicable EU directives by application of the harmonised standards detailed here within.

REGULATORY INFORMATION LEAFLET

GFG Steel Shop Kit

RESTRICTIONS

* GFG Steel Shop Kit is generally suitable for ages 14+. Adults are encouraged to also consider the competency of children using the product to understand all the following safety warnings, with special attention to not leaving the unit connected to the battery unattended.

* The GFG Steel Shop Kit product is not a toy and is unsuitable for young children the small parts enclosed may lead to a choking hazard, keep out of reach of young children.

SAFETY WARNINGS

THIS PRODUCT MAY CONTAIN PARTS THAT OVERHEAT. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

THIS PRODUCT MAY CONTAIN SHARP PARTS. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

- * Always check your circuit build thoroughly with the manual, before testing and powering up.
- * Incorrect assembly can lead to modules overheating. If this happens remove the battery and check connections are correct.
- * Do not use the product near flames or extreme heat.
- * Do not leave this unit unsupervised when in use, WHEN NOT IN USE, DISCONNECT THE BATTERY TO SWITCH THE PRODUCT OFF.
- * If plugging into the computer using a USB cable, disconnect the power bank first.
- * Always use a clean, well lit, safe environment when assembling or working on the GFG Steel Shop Kit.
- * Changes to the circuit, code and the addition of any other modules is at the individual's own risk.
- * Cables and shell parts can have sharp ends handle with care.
- * Do not connect the GFG Steel Shop Kit to a power supply.
- * When assembly the product take care to avoid getting fingers trapped.

* Please check the kit for signs of damage before every use. If the damage is unrepairable contact the manufacturer for spares and repairs.

* If sanding is required wear a protective mask and gloves in a well-ventilated area.

* Electrostatic Discharge Precautions are recommended when handling electronic components.

IMPORTANT!

* Be sure to double-check you have wired your voltage and ground connections (and all other connections) correctly to avoid damaging components and modules.

* If you make mistakes with your wiring you might notice modules overheating. If you notice any burning smells unplug your battery connection immediately and do not touch your components as they could be too hot to touch.

* Check all connections at the end of the circuit build and again at the end of the final build.

SYMBOLS

INFORMATION MARK SYMBOL:

This symbol indicates that all users should read the manual before operating this product.

FLASHING LIGHTS

* This product contains flashing lights that may cause discomfort or trigger seizures in individuals with photosensitive conditions.

FINGER TRAPS

* When assembly the product take care to avoid getting fingers trapped between parts.

RECYCLING AND ENVIRONMENT INFORMATION

Some larger retailers may accept small waste electronic products free of charge. Please ask your local retailer if this service is available for the products you wish to dispose of. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. This symbol may be used on batteries in combination with

additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

CARE AND MAINTENANCE

Always keep the GFG Steel Shop Kit and associated parts clean and clear of any dirt and/ or foreign objects. Cleaning should be done with antibacterial wipes avoid using harsh chemicals or water and avoid contact with any of the electronics. Fully check the build before every use for loose connections, damage or abnormal operation.

DISCLAIMER

This product is sold in kit form. It is solely the responsibility of the customer to construct the kit in a safe and appropriate manner, and in accordance with the best practices outlined in this manual. This product is not a toy.

The use of spare or replacement components unapproved by Rewise Learning may cause damage or malfunction to the product. Rewise Learning accepts no responsibility for product damage or malfunction due to the use of third party components.

Rewise Learning shall not be responsible to customers or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, loss of data, revenues, sales, business, goodwill or use.

Rewise Learning does not provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information, materials or services found or offered with our products for any particular purpose. You acknowledge that such information, materials and services may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

DECLARATION OF CONFORMITY

We the undersigned, declare under our sole responsibility that the product to which this declaration relates conforms to the essential requirements of the applicable EU directives by application of the harmonised standards detailed here within.

REGULATORY INFORMATION LEAFLET GFG Rolling Finishing Kit

RESTRICTIONS

* GFG Rolling Finishing Kit is generally suitable for ages 14+. Adults are encouraged to also consider the competency of children using the product to understand all the following safety warnings, with special attention to not leaving the unit connected to the battery unattended.

* The GFG Rolling Finishing Kit product is not a toy and is unsuitable for young children the small parts enclosed may lead to a choking hazard, keep out of reach of young children.

SAFETY WARNINGS

THIS PRODUCT MAY CONTAIN PARTS THAT OVERHEAT. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

THIS PRODUCT MAY CONTAIN SHARP PARTS. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

- * Always check your circuit build thoroughly with the manual, before testing and powering up.
- * Incorrect assembly can lead to modules overheating. If this happens remove the battery and check connections are correct.
- * Do not use the product near flames or extreme heat.
- * Do not leave this unit unsupervised when in use, WHEN NOT IN USE, DISCONNECT THE BATTERY TO SWITCH THE PRODUCT OFF.
- * If plugging into the computer using a USB cable, disconnect the power bank first.
- * Always use a clean, well lit, safe environment when assembling or working on the GFG Rolling Finishing Kit.
- * Changes to the circuit, code and the addition of any other modules is at the individual's own risk.
- * Cables and shell parts can have sharp ends handle with care.
- * Do not connect the GFG Rolling Finishing Kit to a power supply.
- * When assembly the product take care to avoid getting fingers trapped.

* Please check the kit for signs of damage before every use. If the damage is unrepairable contact the manufacturer for spares and repairs.

* If sanding is required wear a protective mask and gloves in a well-ventilated area.

* Electrostatic Discharge Precautions are recommended when handling electronic components.

IMPORTANT!

* Be sure to double-check you have wired your voltage and ground connections (and all other connections) correctly to avoid damaging components and modules.

* If you make mistakes with your wiring you might notice modules overheating. If you notice any burning smells unplug your battery connection immediately and do not touch your components as they could be too hot to touch.

* Check all connections at the end of the circuit build and again at the end of the final build.

SYMBOLS

INFORMATION MARK SYMBOL:

This symbol indicates that all users should read the manual before operating this product.

FLASHING LIGHTS

* This product contains flashing lights that may cause discomfort or trigger seizures in individuals with photosensitive conditions.

FINGER TRAPS

* When assembly the product take care to avoid getting fingers trapped between parts.

RECYCLING AND ENVIRONMENT INFORMATION

Some larger retailers may accept small waste electronic products free of charge. Please ask your local retailer if this service is available for the products you wish to dispose of. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. This symbol may be used on batteries in combination with

additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

CARE AND MAINTENANCE

Always keep the GFG Rolling Finishing Kit and associated parts clean and clear of any dirt and/ or foreign objects. Cleaning should be done with antibacterial wipes avoid using harsh chemicals or water and avoid contact with any of the electronics. Fully check the build before every use for loose connections, damage or abnormal operation.

DISCLAIMER

This product is sold in kit form. It is solely the responsibility of the customer to construct the kit in a safe and appropriate manner, and in accordance with the best practices outlined in this manual. This product is not a toy.

The use of spare or replacement components unapproved by Rewise Learning may cause damage or malfunction to the product. Rewise Learning accepts no responsibility for product damage or malfunction due to the use of third party components.

Rewise Learning shall not be responsible to customers or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, loss of data, revenues, sales, business, goodwill or use.

Rewise Learning does not provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information, materials or services found or offered with our products for any particular purpose. You acknowledge that such information, materials and services may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

DECLARATION OF CONFORMITY

We the undersigned, declare under our sole responsibility that the product to which this declaration relates conforms to the essential requirements of the applicable EU directives by application of the harmonised standards detailed here within.

RED STATEMENT ALL LANGUAGES

BG- С настоящото Rewise Learning LTD декларира, че този тип радиосъоръжение GFG Electric Arc Furnace Kit е в съответствие с Директива 2014/53/ЕС. Цялостният текст на ЕС декларацията за съответствие може да се намери на следния интернет адрес: www.rewise.co.uk

CS- Tímto Rewise Learning LTD prohlašuje, že typ rádiového zařízení GFG Electric Arc Furnace Kit je v souladu se směrnicí 2014/53/EU. Úplně znění EU prohlášení o shodě je k dispozici na této internetové adrese: www.rewise.co.uk

DA- Hermed erklærer Rewise Learning LTD, at radioudstyrstypen GFG Electric Arc Furnace Kit er i overensstemmelse med direktiv 2014/53/EU. EU-overensstemmelseserklæringens fulde tekst kan findes på følgende internetadresse: www.rewise.co.uk

DE- Hiermit erkläre Rewise Learning LTD, dass der Funkanlagentyp GFG Electric Arc Furnace Kit der Richtlinie 2014/53/EU entspricht. Der vollständige Text der EU-Konformitätserklärung ist unter der folgenden Internetadresse verfügbar: www.rewise.co.uk

EL- Με την παρούσα ο/η Rewise Learning LTD, δηλώνει ότι ο ραδιοεξοπλισμός GFG Electric Arc Furnace Kit πληροί την οδηγία 2014/53/ΕΕ. Το πλήρες κείμενο της δήλωσης συμμόρφωσης ΕΕ διατίθεται στην ακόλουθη ιστοσελίδα στο διαδίκτυο: www.rewise.co.uk

EN- Hereby, Rewise Learning LTD declares that the radio equipment type GFG Electric Arc Furnace Kit is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: www.rewise.co.uk

ES- Por la presente, Rewise Learning LTD declara que el tipo de equipo radioeléctrico GFG Electric Arc Furnace Kit es conforme con la Directiva 2014/53/UE. El texto completo de la declaración UE de conformidad está disponible en la dirección Internet siguiente: www.rewise.co.uk

ET- Käesolevaga deklareerib Rewise Learning LTD, et käesolev raadioseadme tüüp GFG Electric Arc Furnace Kit vastab direktiivi 2014/53/EL nõuetele. Eli vastavusdeklaratsiooni täielik tekst on kättesaadav järgmisel internetiaadressil: www.rewise.co.uk

FI- Rewise Learning LTD vakuuttaa, että radiolaitetyyppi GFG Electric Arc Furnace Kit on direktiivin 2014/53/EU mukainen. EU-vaatimustenmukaisuusvakuutuksen täysimittainen teksti onsaatavilla seuraavassa internetosoitteessa: www.rewise.co.uk

FR- Le soussigné, Rewise Learning LTD, déclare que l'équipement radioélectrique du type GFG Electric Arc Furnace Kit est conforme à la directive 2014/53/UE. Le texte complet de la déclaration UE de conformité est disponible à l'adresse internet suivante: www.rewise.co.uk

HR- Rewise Learning LTD ovime izjavljuje da je radijska oprema tipa GFG Electric Arc Furnace Kit u skladu s Direktivom 2014/53/EU. Cjeloviti tekst EU izjave o sukladnosti dostupan je na sljedećoj internetskoj adresi: www.rewise.co.uk

HU- Rewise Learning LTD igazolja, hogy a GFG Electric Arc Furnace Kit típusú rádióberendezés megfelel a 2014/53/EU irányelvnek. Az EU-megfelelőségi nyilatkozat teljes szövege elérhető a következő internetes címen: www.rewise.co.uk

IT- Il fabbricante, Rewise Learning LTD, dichiara che il tipo di apparecchiatura radio GFG Electric Arc Furnace Kit è conforme alla direttiva 2014/53/UE. Il testo completo della dichiarazione di conformità UE è disponibile al seguente indirizzo Internet: www.rewise.co.uk

LT- Aš, Rewise Learning LTD, patvirtinu, kad radijo įrenginių tipas GFG Electric Arc Furnace Kit atitinka Direktyvą 2014/53/ES. Visas ES atitikties deklaracijos tekstas prieinamas šiuo interneto adresu: www.rewise.co.uk

LV- Ar šo Rewise Learning LTD deklarē, ka radioiekārta GFG Electric Arc Furnace Kit atbilst Direktīvai 2014/53/ES. Pilns ES atbilstības deklarācijas teksts ir pieejams šādā interneta vietnē: www.rewise.co.uk

MT- B'dan, Rewise Learning LTD, niddikjara li dan it -tip ta' taghmir tar - radju GFG Electric Arc Furnace Kit huwa konformi mad-Direttiva 2014/53/UE. It-test kollu tad-dikjarazzjoni ta' konformita tal-UE huwa disponibbli f'dan l-indirizz tal-Internet li għej: www.rewise.co.uk

NL- Hierbij verklaar ik, Rewise Learning LTD, dat het type radioapparatuur GFG Electric Arc Furnace Kit conform is met Richtlijn 2014/53/EU. De volledige tekst van de EU-conformiteitsverklaring kan worden geraadpleegd op het volgende internetadres: www.rewise.co.uk

PL- Rewise Learning LTD niniejszym oświadczam, że typ urządzenia radiowego GFG Electric Arc Furnace Kit jest zgodny z dyrektywą 2014/53/UE. Pełny tekst deklaracji zgodności UE jest dostępny pod następującym adresem internetowym: www.rewise.co.uk

P- O(a) abaixo assinado(a) Rewise Learning LTD declara que o presente tipo de equipamento de rádio GFG Electric Arc Furnace Kit está em conformidade com a Diretiva 2014/53/UE. O texto integral da declaração de conformidade está disponível no seguinte endereço de Internet: www.rewise.co.uk

RO- Prin prezenta, Rewise Learning LTD declară că tipul de echipamente radio GFG Electric Arc Furnace Kit este în conformitate cu Directiva 2014/53/UE. Textul integral al declarației UE de conformitate este disponibil la următoarea adresă internet: www.learnthrumusic.co.uk

SK- Rewise Learning LTD týmto vyhlasuje, že rádiové zariadenie typu GFG Electric Arc Furnace Kit je v súlade so smernicou 2014/53/EU. Úplné EU vyhlásenie o zhode je k dispozícii na tejto internetovej adrese: www.rewise.co.uk

SL- Rewise Learning LTD potrjuje, da je tip radijske opreme GFG Electric Arc Furnace Kit skladen z Direktivo 2014/53/EU. Celotno besedilo izjave EU o skladnosti je na voljo na naslednjem spletnem naslovu: www.rewise.co.uk

SV- Härmed försäkrar Rewise Learning LTD att denna typ av radioutrustning GFG Electric Arc Furnace Kit överensstämmer med direktiv 2014/53/EU. Den fullständiga texten till EU-försäkran om överensstämmelse finns på följande webbadress: www.rewise.co.uk

REGULATORY INFORMATION LEAFLET GFG Solar Farm Kit

RESTRICTIONS

* GFG Solar Farm Kit is generally suitable for ages 14+. Adults are encouraged to also consider the competency of children using the product to understand all the following safety warnings, with special attention to not leaving the unit connected to the battery unattended.

* The GFG Solar Farm Kit product is not a toy and is unsuitable for young children the small parts enclosed may lead to a choking hazard, keep out of reach of young children.

SAFETY WARNINGS

THIS PRODUCT MAY CONTAIN PARTS THAT OVERHEAT. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

THIS PRODUCT MAY CONTAIN SHARP PARTS. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

- * Always check your circuit build thoroughly with the manual, before testing and powering up.
- * Incorrect assembly can lead to modules overheating. If this happens remove the battery and check connections are correct.
- * Do not use the product near flames or extreme heat.
- * Do not leave this unit unsupervised when in use, WHEN NOT IN USE, DISCONNECT THE BATTERY TO SWITCH THE PRODUCT OFF.
- * If plugging into the computer using a USB cable, disconnect the power bank first.
- * Always use a clean, well lit, safe environment when assembling or working on the GFG Solar Farm Kit.
- * Changes to the circuit, code and the addition of any other modules is at the individual's own risk.
- * Cables and shell parts can have sharp ends handle with care.
- * Do not connect the GFG Solar Farm Kit to a power supply.
- * When assembly the product take care to avoid getting fingers trapped.

* Please check the kit for signs of damage before every use. If the damage is unrepairable contact the manufacturer for spares and repairs.

* If sanding is required wear a protective mask and gloves in a well-ventilated area.

* Electrostatic Discharge Precautions are recommended when handling electronic components.

IMPORTANT!

* Be sure to double-check you have wired your voltage and ground connections (and all other connections) correctly to avoid damaging components and modules.

* If you make mistakes with your wiring you might notice modules overheating. If you notice any burning smells unplug your battery connection immediately and do not touch your components as they could be too hot to touch.

* Check all connections at the end of the circuit build and again at the end of the final build.

SYMBOLS

INFORMATION MARK SYMBOL:

This symbol indicates that all users should read the manual before operating this product.

FLASHING LIGHTS

* This product contains flashing lights that may cause discomfort or trigger seizures in individuals with photosensitive conditions.

FINGER TRAPS

* When assembly the product take care to avoid getting fingers trapped between parts.

RECYCLING AND ENVIRONMENT INFORMATION

Some larger retailers may accept small waste electronic products free of charge. Please ask your local retailer if this service is available for the products you wish to dispose of. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. This symbol may be used on batteries in combination with

additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

CARE AND MAINTENANCE

Always keep the GFG Solar Farm Kit and associated parts clean and clear of any dirt and/ or foreign objects. Cleaning should be done with antibacterial wipes avoid using harsh chemicals or water and avoid contact with any of the electronics. Fully check the build before every use for loose connections, damage or abnormal operation.

DISCLAIMER

This product is sold in kit form. It is solely the responsibility of the customer to construct the kit in a safe and appropriate manner, and in accordance with the best practices outlined in this manual. This product is not a toy.

The use of spare or replacement components unapproved by Rewise Learning may cause damage or malfunction to the product. Rewise Learning accepts no responsibility for product damage or malfunction due to the use of third party components.

Rewise Learning shall not be responsible to customers or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, loss of data, revenues, sales, business, goodwill or use.

Rewise Learning does not provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information, materials or services found or offered with our products for any particular purpose. You acknowledge that such information, materials and services may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

DECLARATION OF CONFORMITY

We the undersigned, declare under our sole responsibility that the product to which this declaration relates conforms to the essential requirements of the applicable EU directives by application of the harmonised standards detailed here within.
