Rate your experience of the GFG Foundation Student Programme:

1 = Strongly Disagree, 2 = Disagree, 3 = Unsure, 4 = Agree, 5 = Strongly Agree

Question	1	2	3	4	5
I enjoyed myself – it was fun!					
I have a greater understanding of what an interview is thanks to the mock interviews					
I have a greater understanding of how to create a digital CV					
I have had the opportunity to try new things I would not otherwise get the chance to experience such as creating and retrofitting a model steel plant					
My motivation has improved					

Question	1	2	3	4	5
I know more about the job application process					
My learning was supported by understanding staff					
My tutors provided a safe learning environment					
My tutors helped me to develop my confidence and motivation					
The venue was great					
The food and drink were great					

How has taking part in the GFG Foundation Programme helped you personally?

If you could change anything about the course, what would you change and why?
