

REGULATORY INFORMATION LEAFLET

RESTRICTIONS

* GFG Speaker is generally suitable for ages 14+. Adults are encouraged to also consider the competency of children using the product to understand all the following safety warnings, with special attention to not leaving the unit connected to the battery unattended.

* The GFG Speaker product is not a toy and is unsuitable for young children the small parts enclosed may lead to a choking hazard, keep out of reach of young children.

SAFETY WARNINGS

THIS PRODUCT MAY CONTAIN PARTS THAT OVERHEAT. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

THIS PRODUCT MAY CONTAIN SHARP PARTS. PLEASE AVOID TOUCHING THEM. USER DISCRETION IS ADVISED.

- * Always check your circuit build thoroughly with the manual, before testing and powering up.
- * Incorrect assembly can lead to modules overheating. If this happens remove the battery and check connections are correct.
- * Do not use the product near flames or extreme heat.
- * Do not leave this unit unsupervised when in use, WHEN NOT IN USE, DISCONNECT THE BATTERY TO SWITCH THE PRODUCT OFF.
- * If plugging into the computer using a USB cable, disconnect the power bank first.
- * Always use a clean, well lit, safe environment when assembling or working on the GFG Speaker.
- * Changes to the circuit, code and the addition of any other modules is at the individual's own risk.
- * Cables and shell parts can have sharp ends handle with care.
- * Do not connect the GFG Speaker to a power supply.

* Please check the kit for signs of damage before every use. If the damage is unreparable contact the manufacturer for spares and repairs.

* If sanding is required wear a protective mask and gloves in a well-ventilated area.

* Electrostatic Discharge Precautions are recommended when handling electronic components.

IMPORTANT!

* Be sure to double-check you have wired your voltage and ground connections (and all other connections) correctly to avoid damaging components and modules.

* If you make mistakes with your wiring you might notice modules overheating. If you notice any burning smells unplug your battery connection immediately and do not touch your components as they could be too hot to touch.

* Check all connections at the end of the circuit build and again at the end of the final build.

SYMBOLS

INFORMATION MARK SYMBOL:

This symbol indicates that all users should read the manual before operating this product.

BATTERY

Please use supplied rechargeable battery to power your GFG Speaker.

- * Do not strike or hit the battery.
- * Do not insert any objects into the battery charge port.
- * Use of a power supply or charger not recommended by the battery manufacturer may result in a risk of fire or injury to persons.
- * Do not use the battery in excess of its output rating.
- * Overload outputs above rating may result in a risk of fire or injury to persons.
- * Do not use the battery if it has been damaged or modified. Damaged or modified batteries may exhibit unpredictable behaviour resulting in fire, explosion or risk of injury. If you see any bulging, swelling, leakage or other abnormality from the battery, stop using it immediately.
- * Do not expose a battery to fire or excessive temperature. Exposure to fire or temperature above 100°C may cause an explosion.
- * Do not attempt to repair the battery yourself. Servicing should always be performed by a qualified repair person using identical replacement parts in order to ensure that the safety of the product is maintained. Incorrect reassembly may result in a risk of fire or injury to persons.
- * Dispose of used batteries according to local regulations.
- * Avoid placing the product in contact with water.
- * Do not drop, shake or vibrate the battery.

RECYCLING AND ENVIRONMENT INFORMATION

Some larger retailers may accept small waste electronic products free of charge. Please ask your local retailer if this service is available for the products you wish to dispose of. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. This symbol may be used on batteries in combination with

additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

CARE AND MAINTENANCE

Always keep the GFG Speaker and associated parts clean and clear of any dirt and/ or foreign objects. Cleaning should be done with antibacterial wipes avoid using harsh chemicals or water and avoid contact with any of the electronics. Fully check the build before every use for loose connections, damage or abnormal operation.

DISCLAIMER

This product is sold in kit form. It is solely the responsibility of the customer to construct the kit in a safe and appropriate manner, and in accordance with the best practices outlined in this manual. This product is not a toy.

The use of spare or replacement components unapproved by Rewise Learning may cause damage or malfunction to the product. Rewise Learning accepts no responsibility for product damage or malfunction due to the use of third party components.

Rewise Learning shall not be responsible to customers or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, loss of data, revenues, sales, business, goodwill or use.

Rewise Learning does not provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information, materials or services found or offered with our products for any particular purpose. You acknowledge that such information, materials and services may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

DECLARATION OF CONFORMITY

We the undersigned, declare under our sole responsibility that the product to which this declaration relates conforms to the essential requirements of the applicable EU directives by application of the harmonised standards detailed here within.
