

# Roleplay Ideas

Have 2 members of your group pretend to be guests to the exhibition. Practise answering these questions.

1. What have you learned this week about:

- STEM/STEAM?
- Environmental issues?
- Greensteel?
- Yourself?

---

---

---

---

2. Can you tell me about your speakers ?

---

---

---

---

3. What you have enjoyed most about the week?

---

---

---

---

4. Can you tell me a bit more about your posters ?

---

---

---

---

5. Can you tell me a bit more about your animation ? What were the steps?

---

---

---

---

6. Tell me a bit more about the qualification?

---

---

---

---

7. What do you want to do when you are older?  
Would you consider a future in green and STEAM industries?

---

---

---

---
